Unscramble the scrambled lines, then fill in
the missing words that rhyme. They're in the trees.

God made Adam out of clay,
all the animals he And made _____
In the very same _____;
He put them in a garden,
life new with Buzzing _____;
But Adam said, "I'm lonely, God,
I think I need a _____."

So God made Adam slumber,
So deep he didn't _____;
a rib Adam's side from took he _____,
And made for him a _____.
God really had to make her
To complete his perfect _____:
A human image of himself,
A woman and a _____.

Adam and Eve named
all the animals they found.
We still name creatures
when we find new species.

*Find all the animals and give them names. You can call them what they are
(dog, cat, etc.), give them proper names (Fred, Carol), or make up new ones.*
